

Seats for construction vehicles

ISRI® 6830 KA/ 880 NTS

ISRI® 6830 KM/ 880 NTS

Driver's seat with pneumatic suspension

If you've got something heavy to move, you need the right support: ISRI seats for construction vehicles

Seating – on a higher level.

ISRI® 6830 KA/ 880 NTS | 6830 KM/ 880 NTS

Our comfortable driver's seat features air suspension which is available in various versions to suit different vehicles, all of which conform to EN/ISO 7096:2000. The seat can be adjusted as required and comes with height and tilt **adjustment as standard**. Together with the **economically shaped seat and backrest**, these features take the **fatigue out of driving**.
